

## Autumn Term at Rickmansworth Nursery School

Dear Parents,

August 2020

We are looking forward to welcoming your children to nursery in September.

The start date for children who already attend the nursery is **from Thursday 3<sup>rd</sup>** and for the new children it is **from Monday 7<sup>th</sup>** September.

### **Keeping safe:**

Please ensure that **your child and everyone in your household is well** before bringing them to nursery. (This applies to staff members as well) Entry to the setting will continue to be via the garden gate and for the time being we are not permitting adults, other than staff members, to come into the building.

Please dress your child in clothing and shoes suitable for the weather and always bring a coat for them. Give them practise in putting on and taking off their coat and shoes so that they can do this independently.

Please contribute to our shared snack and provide a bottle of water for your child.

Apply sun cream before nursery, when necessary.

Remember to bring wellies and helmet too!

Kind regards

Jane Herman
