

Stay strong

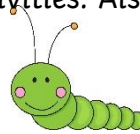

May 2020

Dear Parents

We hope your week has gone well even with this changeable weather.

Home activity

This week we have produced a game for you to play with your children that includes some simple physical, literacy and numeracy activities. Also included is a template to make your own dice. We hope you enjoy it.

For Nursery Books

We would like to create a page for each of the children to go in their Nursery Books about this lockdown phase. Please could you send 2 or 3 photos of 'lockdown life' in your household either by email or on WhatsApp (from your own account – not via the group). We will do the rest.

Story time

Mrs Herman is going to record some story telling sessions during the next week and as soon as they are ready for 'broadcast', you will be informed about how to access them.

All the very best to you and your families. The nursery phone is always within reach during nursery hours and if you want to call for any reason please do. We are missing the children terribly and are hoping that Thursday brings some better news for us all about a possible return to something more like 'normal'.

Love from The Nursery Team.
