

## January 2022 Newsletter

Our areas of interest this term are 'People who help us' and 'Where we live'.

We will be marking spring festivals including Chinese New Year, Tet and Easter. If your family celebrates a particular cultural or religious festival and you would like to get involved please come and tell us and we will plan activities and celebrations around that theme.

I will send (by email) the display table theme rota for you to put up at home. Children receive a reward sticker for bringing relevant items in to show.

Cold weather

Thank you for providing your child with suitable outdoor clothing. Please make sure that everything is labelled.

### World Book Day

Children are invited to dress up as a book character and/or bring in a favourite book to share to participate in World Book Day. The children will receive a £1 book voucher.

### Adding to our resources

We are in need of paper for everyday use in the classroom – in the past we have had donations from companies that have changed their logo or have paper or card surplus to requirements. If you hear or know of any source where we can top up our supplies, we would be grateful.

### Morning snack

**Thank you so much** for your generous donations to our snack bowl. The children love to share the things they have brought for snack time. Popular contributions are; bananas, apples, carrots, breadsticks, cheese and seasonal fruits.

### Parking and permits

The car park at the pavilion is designated as a Park Road resident's parking space. The residents pay for a yearly permit. We are fortunate that the council allows us to use the car park and to issue our own free permits. Please remember to always display your permit and to be considerate to the local residents.

We will send a newsletter in the summer term with more details about Sport's Day, the library visit and last day of term arrangements.

Thanks
